Balkan Rhythm'n'Blues band from London

Valkania is a London-based ensemble blending Balkan traditions with blues-inflected rock. Formed in 2010, the group has performed across the UK, including Rich Mix and Jamboree. Their sound combines original compositions with reimagined rock and classical pieces, reshaped through uneven Balkan rhythms, modal colours, and improvisational interplay. Lyrics span Macedonian, Serbian, Greek, Bulgarian and English.

Live Show Format

The band currently performs a 60 minute set that moves from lyrical ballads to high-energy rhythmic material. The repertoire centres on their Balkan-fusion identity, creating a continuous, immersive arc rather than a sequence of standalone songs.

Lineup

Valkania performs currently as trio: **guitar/vocals, bass and drums**. A dynamic Balkan-jazz-rock fusion lineup for clubs and amplified venues.
